DAIRY FOUNDATION

GIFT DESIGNATION

I/We wish my/our gift to be designated to the following program(s):

Beginning Farmer Program

Support for this program encourages dairy farmers to pass on their legacy to the next generation while identifying individuals who are prepared to embrace the challenges of a dairy farming career.

Operation: Cattle Drive II

Sponsor the purchase of cows—the necessary component for fulfilling the Dairy Foundation's goals of performing research, education and demonstration that better the lives of farm families.

Iowa Dairy Story and Museum

Contribute to the collection and preservation of dairy memorabilia and artifacts and other educational displays that tell visitors the past and present story of dairying in the state of Iowa.

Support for Sustainable Agriculture

Endorse the exploration of an alternative style of dairying demonstrated at our Grazing Center. Students and area farmers get a first-hand look at how small-scale operations can utilize green grass as the primary component of a cow's diet.

Helping Hands

Help future dairymen and women gain hands-on experience by providing funds for educational resources related to the farm operation.

Dairy Farmer Electronic Resource Center

Support development of an online go-to place where dairy farmers can share ideas and find quick links to the businesses and resources that benefit them most.

Dairy Mentorship Program

Encourage the next generation by giving towards a program that ties together work experience at the Dairy Center with mentorship from active dairy farmers.

Dairy Education Excellence Fund

Secure the future of the Dairy Center and its programs by giving towards this fund that is dispersed at the discretion of the Dairy Foundation.
